

LEVIN EAST SCHOOL

Te kura ō Taitoko ki te Rawhiti

VISION: SWITCHED ON LEARNERS

MISSION STATEMENT:

To provide foundation education for all learners to be successful

VALUES: Collaboration/ Kotahitanga, Respect/ Whakauate, Creativity/ Auahatanga, Courage/ Manawanui, Excellence/ Tararuatanga, Resilience/ Manahau

2019 - 2021 STRATEGIC AIMS

EFFECTIVE TEACHING ENGAGED LEARNERS

Positively focussed, actively involved learners

CONNECTED COMMUNITIES

Actively engaged through authentic, quality partnerships

GROWING LEADERS

Developing and empowering future-focussed, reflective leaders

INCLUSIVE CULTURES

Celebrating and valuing diversity and difference

SUPPORTING ACTIONS

A mandatory, play-based iLearn approach guided by students' passions and interests underpins all programmes

21st century technologies will be used to foster and enhance student engagement and success, particularly in Mathematics and Digital Fluency

Appraisal will focus on teaching pedagogy, student progress and achievement

There will be a focus on improving the number of students progressing and achieving within their NZ Curriculum level

Resource management and use will reflect the strategic focus on teachers' pedagogy, student progress and achievement, particularly in Digital Fluency and Mathematics

School leadership will have a deliberate focus on students' attendance and lateness through a lens of student wellbeing and engagement

Student achievement will be reported to the Board twice yearly

Community members will be encouraged and invited to be regularly and actively involved in student learning

A variety of focus groups will support parents to participate in and have an authentic voice in school direction and affairs

Parents will be welcomed and regularly well informed of their child's learning, progress and achievement, and next steps

Parents will be supported with strategies to support their child's learning at home

Staff will collaborate and work across the takiwā/ region in the interest of all students

The school will partner with external education and support agencies to enhance student wellbeing, progress and achievement, and learning

The school will utilise its communities to maximise the use of the local environment

Excellence will underpin all that we do and promote

The Board will work adaptively and collaboratively to ensure the school's Mission Statement, Vision and Strategic Aims drive decisions

The Board will model highly effective, regular community engagement and consultation

Professional development will be an on-going feature, schoolwide

Principal and Leadership appraisal will be inquiry-based, transparent and goal orientated, focussing on pedagogy, progress, success and achievement

The Board and staff will contribute to education across the takiwā/ region

The Board and staff will focus on excellence, equity and wellbeing for all

Educators will embrace and model the school's vision, values and underlying principles

Financial and personnel resources will be allocated to support equitable outcomes

The Board will support the involvement of whānau and support groups

2021 ANNUAL GOALS:

1. That students' disposition to Mathematics will improve across the school (measured by the LES Maths Mindset)
2. That students' disposition to Literacy will improve across the school (measured by the LES Literacy Mindset)
3. That students' progress and achievement in Literacy and Mathematics will improve across the school (measured by teachers')
