

Be Safe Be Seen

At Pinehill School
School we want our
students to be **visible**
and **safe** when riding to
and from school.

High Visibility vests are given to all students who cycle
or scooter to school and commit to wearing them.
To receive your vest you need to sign the agreement
on the back of this flyer.

Please return your signed forms to the school office.

For further information please contact:

Linda Peters - Community Transport Coordinator, Auckland Transport

Phone 447 4124 or 027 591 5015

Tips to keep you safe riding to school

- Use your eyes, look ahead and be aware of vehicles and other pedestrians - be prepared to take action to stay safe.
- Watch out for cars backing out of driveways and turning in over footpaths.
- Watch out for car doors opening in your path.
- Make eye contact with other road users to make sure they have seen you.
- Always think about other people using the footpaths and roads.
- Always wear a helmet! You could be fined up to \$55 by the police if you do not wear one. Always check your helmet fits properly and if you are unsure visit your local cycle shop for assistance.

I AGREE TO WEAR MY HIGH VISIBILITY VEST WHEN RIDING TO AND FROM SCHOOL.

By signing this agreement I will be given a high visibility vest to wear when riding my bike to and from school and at other times.
